Applying a strong brand system to a web site, and email marketing can be tricky. Cassel Bear has the talent to create a cohesive online look that matches a business's print collateral. Our web sites are cleanly coded and are built to be efficient, easy to update and search engine optimized. We give the attention that every business owner needs to create a great web site. Give us a call today. We'd love to kick around some thoughts.
Karl Bear	Cassel Bear	512-21st St. NW	Canton	OH	44709	330-204-3950	<a href="mailto:karl@casselbear.com">karl@casselbear.com</a>	<a href="http://www.casselbear.com">www.casselbear.com</a>	Graphic Design	Creating a strong brand system for companies takes more than a graphic design degree. Cassel Bear pulls from past and current life experiences to help shape the face of established businesses. Working from small to mid-sized businesses, our experience ranges from print collateral, letterhead systems, direct mail, signage, trailer and billboard wraps, and trade show graphics—all stemming from a strong logo, color and brand system. We give businesses and organizations the professional look needed to go to the next level of exposure and recognition. Cassel Bear gets excited to come alongside decision makers to help shape their business image.
